I hereby request that the State Water Resources Control Board, Division of Water Rights revoke the following appropriate water right(s):

License(s) _____ Application(s) _____

Certificate(s) _____ Application(s) _____

By requesting revocation, I waive my right to the hearing and notice requirements set forth in Water Code sections 1410 and 1410.1, Water Code sections 1675 and 1675.1, 1226.4 or other provisions of the Water Code. Unauthorized diversion and use of water is considered a trespass and subject to enforcement action under Water Code section 1052 and 1831. It is my responsibility to consult with the Department of Fish and Game, the Regional Water Quality Control Board and, if a jurisdictional size dam will be removed or breached, the Department of Water Resources, Division of Safety of Dams to ensure that removal of project facilities does not adversely affect a fishery or result in unregulated sediment discharge to a waterway. These agencies may require a permit prior to any construction activity.
